DENIM STYLE GUIDE
Landing page design

A visual modern concept of a style guide for men & women's denim jeans.
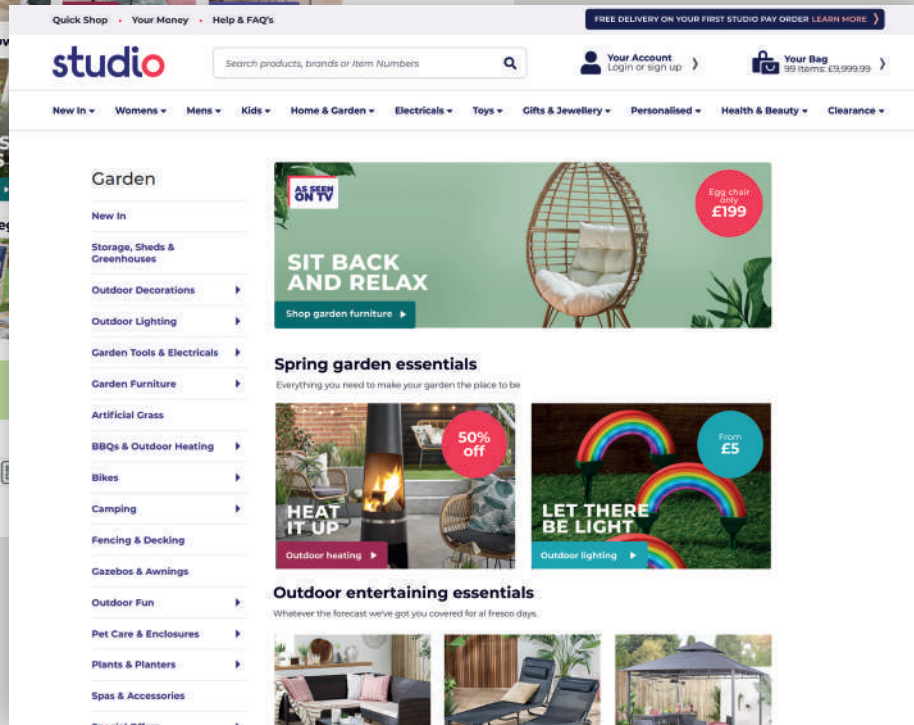

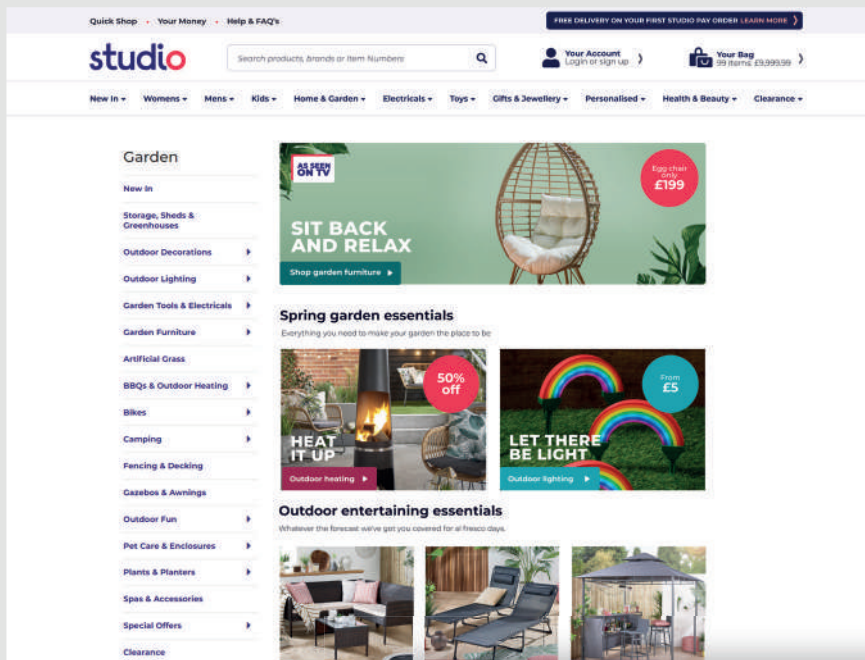

Webpage:
www.studio.co.uk/shop/womens-denim-style-guide

SHOP BY ROOM
Landing page design

Producing a layout designed and built using figma and html.
Creation of hero imagery and icons incorporated into the
layout for better user experince.

Webpage:
www.studio.co.uk/shop/shop-by-room

SHOP GARDEN
Category page design

An effective wireframe and design to drive more web traffic with additional bespoke hero image created in photoshop.

Webpage:
www.studio.co.uk/shop/garden---outdoor

SHOP TOP TECH
Landing page design

Producing creative imagery to increase web traffic and a sleek design concept to showcase branded product categories. A good example of UI/UX design using product cutouts on pastel colours to enhance each item.

Webpage:
www.studio.co.uk/shop/shop-top-tech

FASHION
Creative imagery

Fashion imagery produced for men & womens retail web pages to drive more sales.

SUMMER BEAUTY
Creative imagery

Briefed to produce composite images to showcase
seasonal beauty products for web pages.
